Objectivity

Font family

8 Style

Objectivity is a free geometric font family, open to the whole world. Its name says for itself Objectivity is objective, neutral and clean. The font family was designed to be a workhorse for you, so it comes in 8 weights, 16 styles, 347 glyphs per font. This makes it perfectly suitable for many projects logotypes, identities, packaging, web design, posters, headlines and even texts.

A photograph of a modern building facade. The building features a dark, textured corner on the left and a series of large glass windows below the signage. The signage itself is mounted on a dark, horizontally-slatted background. It consists of a stylized 'K' logo followed by the word 'KAILAB' in a bold, sans-serif font. The sky is a clear, light blue.

K KAILAB
